The Arthritis Society

Checkup on Arthritis

Four years after the creation of the Arthritis Bill of Rights.

It's checkup time.

In 2002. The Arthritis Society Jaunched the Canadian Arthritis Bill of Rights. which was developed by the arthribs community to sour health providers and policymakers to improve the disenses and rare of arthritis in Canada, Four years later, It's time to take stock of the country's progress toward achievons the Bill's objectives. become realities, or do they continue to elude our grasp?

The answer, it would appear, is both yes and no John Fleming. president and chief executive officer of The Arthritis Society sums it un this way. 'We're certainly doing better than four years ago, but there's still a long way to go. And we need constant violance so as not to lose ground."

Here are the details. 1. The right to timely and accurate

Many than four malion Canadians new have arthritis, with a further two million expected to join their ranks over the next

osteoarthriss (GA) - the leading force of arginting and the one under negatived the unarrated pay company to Family physicians play a central role in the day to day management
